

## Letter to Parents

Dear Parents,

I would like to personally thank you for your interest in the Timberview Wolves Basketball Camp. We are looking forward to having the opportunity to work with the young people of our community. I truly hope that it will be a very rewarding experience.

It is our goal that each camper will leave the camp having had a very positive basketball experience. We will strive to provide a safe, structured, and fun atmosphere. The camp will feature an experienced staff of coaches and both current and former Collegiate/Timberview basketball players; all who have a passion for basketball and working with young people.

Again thank you for your interest and involvement. In return, we will work to provide a high quality basketball camp that will aid in your child's personal and basketball development.

Sincerely,

Duane Gregory  
Head Boys Basketball Coach  
Camp Director
