UIL Eligibility (“No Pass/No Play”)

- Semester grades are computed by averaging the numerical grades recorded for each of the three six week reporting periods.
- Each six week grading period will stand alone for eligibility purposes.
- A student who is declared academically ineligible after a six week grading period will be able to regain eligibility if all of the student’s grade averages are 70% or higher at the subsequent 3 week grade reporting period.
- See MISD Board Policy FM (LOCAL) - Exempt Courses.

Student grades will be posted in Skyward parent portal within five business days for daily grades and major grades. Special consideration is given to major projects, including lengthy writing assignments.

Test Re-take Policy

Students who fail a major project (below 70%) will be allowed to make corrections for a maximum grade of 70%. All corrections must be completed by the specified date given by the teacher unless the student is afforded time, as a result of the district’s absent/make-up guidelines.

Late Work Policy

Teacher will accept late work:

- 1 class day late - grade reduced by 10 points
- 2 class days late - grade reduced by 20 points
- 3 class days late - Maximum grade of 70

Tardies and Absences

Regular school attendance is essential for students to gain the maximum benefit from teacher-led and school activities. An unexcused tardy will result in action being taken in accordance with school policy. Extra credit through additional assignments or projects will not be awarded.

Missed Work

Students may make-up assignments after an excused absence. Students will have the same number of days they are absent to make up work. Please make sure your child speaks with me after an absence to identify any assignments that need to be completed.

Class Participation

Students are expected to participate in discussions, activities, and complete all assignments. Their grade will be calculated upon meeting these requirements. Student progress will be determined using a grading scale of 0-100.

Academic Dishonesty

A student found cheating or aiding in cheating will receive a grade of zero on the assignment and their parent will be contacted. Cheating will also encompass being in possession of another student's work without teacher's permission and copying information from a source without properly citing the author.

Goals

The goal of the course is for students to develop musical playing skills by expanding their previous knowledge and skills of music. They will apply these musical skills to prepare them for their secondary education.

Requirements:

All students must follow all school and classroom rules and bring supplies daily.

Discipline

Students are expected to follow all classroom rules and the Husky Code in their daily interactions.

Husky Code

Be Respectful

Be Responsible

Be Positive.

In the event that a student makes a negative behavior choice, then they will receive a signature on their student behavior log. The consequences for behavior signatures are listed below.

1st signature: Verbal warning and parent phone call

2nd signature: Lunch detention and parent contact

3rd signature: Team conference with administrator and parent contact
